New Business

Sanborn Road

Kevin C discussed attending the Commissioners' meeting on September 8th and the result being that the Building Committee will be paused while the option of building a station at Sanborn Road next to the police station is investigated. Kevin C added that they will not meet again till that option has been investigated and if that is the course the Commissioners decide to pursue that he will not be continuing with the process.

Commissioner Cilley shared that the Town of Tilton Selectmen approached them about the property recently and discussed the Commissioners' thought process in making their decision.

Kevin W predicted Northfield will push to separate itself from the Fire District again if the headquarters is at Sanborn Road. Kevin C commented that he sees it being a Manville Road situation all over again.

Paul asked what the plans were given for. Chief Sitar discussed the plans and the Commissioners' charge for him to get some basic costs from a consultant for each plan.

Adjournment

Kevin C adjourned the meeting at 5:41 P.M.

Respectfully submitted,

Beth Joslin
