## Ordinance 2 Establishing a Fire Prevention Fee Schedule

The purpose of this ordinance is to establish fees for specific fire code permits as defined in NFPA 1, *Uniform Fire Code*<sup>™</sup> as adopted by this jurisdiction and for the establishment of fees for service performed by the fire prevention officer or designee.

**Definitions:** All terminology not defined in this annex shall be defined as stated in NFPA 1, *Uniform Fire Code*<sup>™</sup> as adopted by this jurisdiction.

**Permits and Service Fees:** A fee in accordance with the following schedule shall be paid to the Tilton-Northfield Fire District at the time of application for: (1) an INSTALLATION or REMOVAL and/or ALTERATION PERMIT, (2) an ACTIVITY PERMIT, (3) any OTHER SERVICE, (4) HAZARDOUS MATERIALS STORAGE, and (5) any RECORDS, PHOTOGRAPHS or DOCUMENTS. Such fee shall not be refunded upon failure of an applicant to receive the permit. Failure to apply for necessary permits or required service can result in an order from the Chief or his/her designee to obtain a permit or service. Such an order shall be considered as application made for the necessary permit or service.

Fees are payable upon permit application. Failure to pay for permit fees imposed by this fee schedule, within the time period specified, shall render such permit null and void.

Exception: These permit charges shall not apply to activities of nonprofit corporations or civic or fraternal organizations that possess proof of an Internal Revenue Service tax exempt status. However, other charges may be assessed under special circumstances.
